

**MANCHESTER AREA
CHAMBER OF COMMERCE**
Manchester, Michigan

2020 MEMBERSHIP APPLICATION

The Manchester Area Chamber of Commerce is unique in that it is strictly run by volunteers of the business community! We strive to promote, educate, support, and improve the Manchester area business community. While doing so, we also give back to the community with several FREE events hosted by MACC for community members and their families to enjoy in our downtown.

How do you benefit from a MACC Membership?

- **Education;** we offer several business building workshops to our members.
- **General Membership Mixers;** our Membership Meeting format consists of a relaxed networking atmosphere, along with a “pass the mic” opportunity to share with fellow members what’s new with your business/organization.
- **Online Promotion;** not only will you be listed on the MACC website, but your events and business/organization will also be promoted on the MACC facebook page.
- **Community Involvement;** any member of your business/organization has the opportunity to help with any of the committees or events that MACC hosts and sponsors.
- **Sponsorship Opportunities;** there are many opportunities to sponsor MACC events and mixers to help further promote your business!
- **Washtenaw Council of Chambers, The Big 400 Project & Destination Ann Arbor Program, Community Tourism Action Plan;** the MACC is involved with these very crucial support programs which greatly benefits the promotion of the Manchester community and MACC members.
- **Business Community Camaraderie;** we all face the struggles of being a business owner in a smaller rural community, and MACC takes pride in creating an environment where we build each other up with support, encouragement, and ideas.

With every MACC event, we think of ways to include the members’ businesses/organizations to improve foot traffic and offer further promotion. This is an exclusive perk to our members.

MACC Membership Rate: only \$100 to join!

Please make checks payable to: MACC

P.O. Box 521, Manchester, MI 48158

We also offer an online payment option, please be sure to check the box on application.
